

Dear MHSD Applicant

Welcome! This letter outlines our application process. Please mail all of the completed applications to our address and marked **ATTN: Application Process Committee.**

Step 1. Complete and return the application package. Ask your doctor to email or fax the Medical History form directly back to us. **You must sign and date the Medical History form before giving it to your doctor.** If we receive it unsigned it will delay your application.

Step 2. If you are a Veteran you must also send us a copy of your DD214. Without the DD214 your application will not be considered a Military Application.

Step 3. Once we have your completed application on file we will call you and conduct a phone interview.

Step 4. If we believe we are a good fit for you, we will ask for a taped virtual home visit.

Step 5. Once you have completed the virtual home visit, we will send you our contract for you to review and one of our representatives will contact you to answer any questions you might have regarding the contract.

Step 6. Once we have the signed contract on file, MHSD begins to locate your own personal Life Enhancing Canine.

Step 7. Our trainers begin training your canine through basic obedience, socialization to people and other animals, and public access.

Step 8. Your Life Enhancing Canine is ready to come home.
